VILLA SERENE

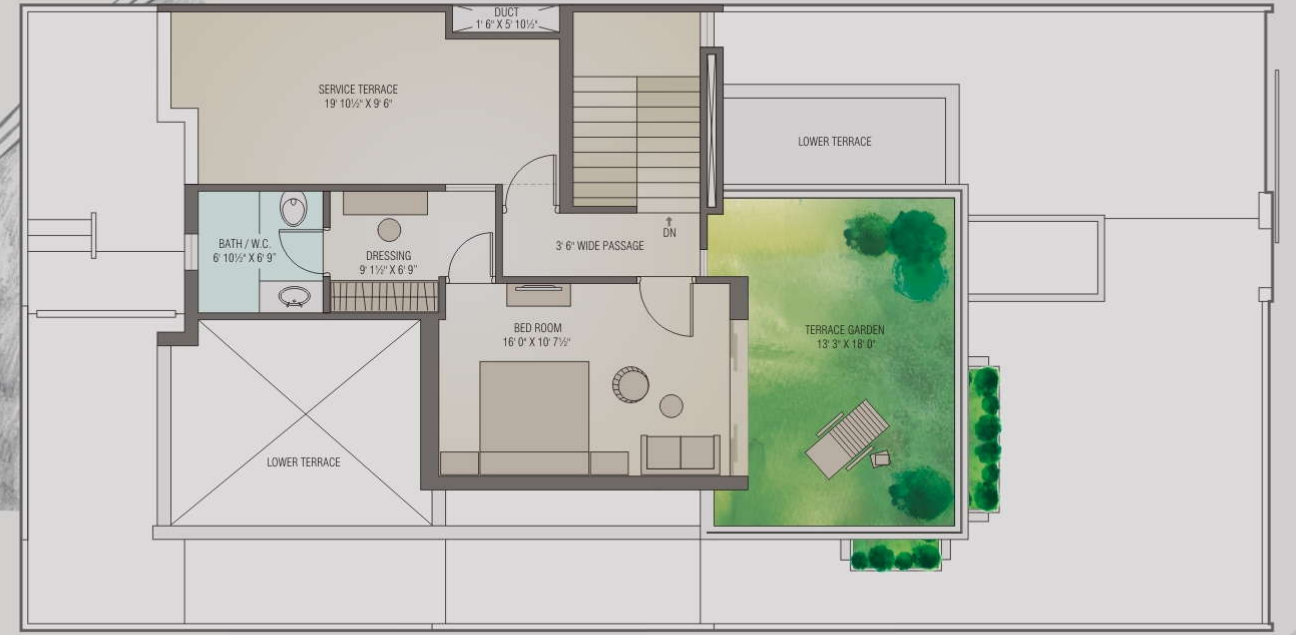

These modern homes personify elegance and clustered away from the main road, thereby offering ultimate serenity maintaining excellent connectivity with outside. Based on your family profile and needs, there are 6 variants of this dream home making this a nearly customized house. The terrace gardens at various levels multiplies the pleasure of living close to the nature.

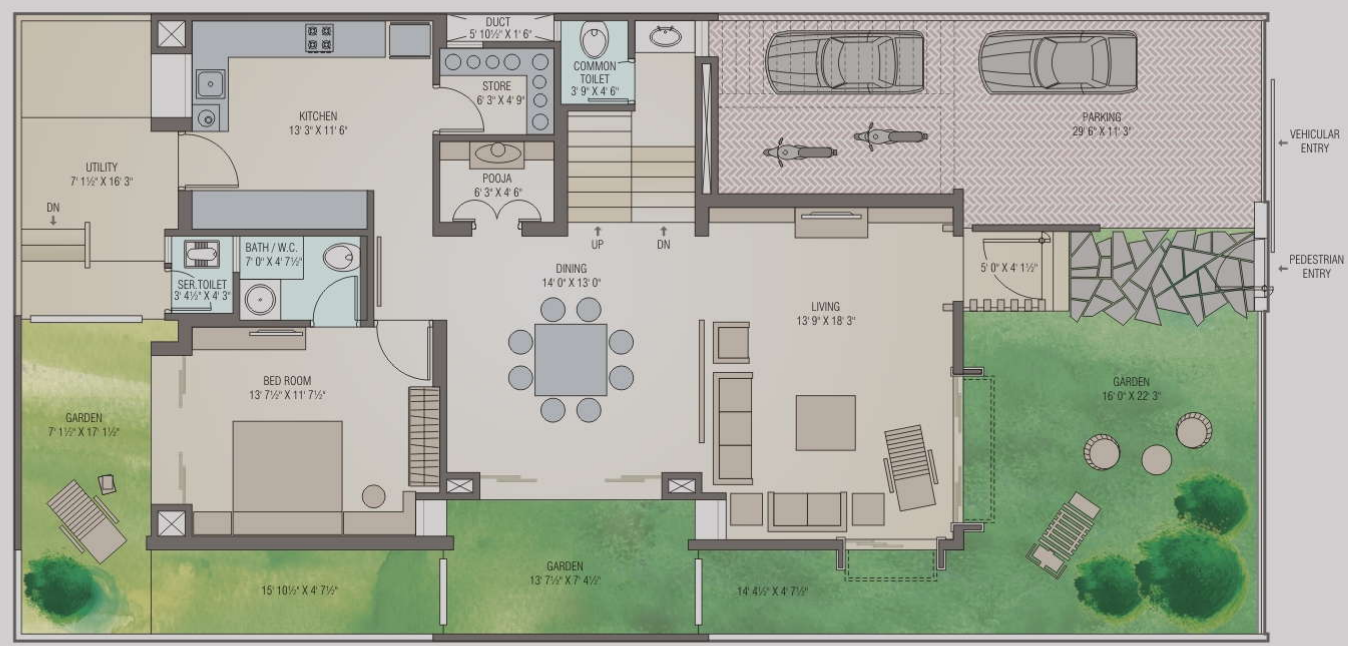

VILLA SERENE

Variant 1A: Total Saleable Area: 402 Sq. Yds.
 This Villa has been planned for Mr. & Mrs. Shah who are looking for a house that offers bigger spaces within a relatively small construction area. They need a room for their aging parents on the ground floor, a room for their lovely daughters Rupal (8 years old) and Meghna (13 years old). Meghna is fond of gardening and she is longing to have her personal garden. Mrs. Shah's parents visits them often and she wants a guest room that is delightful and complete with an exclusive dressing area and lavish bathroom.

Variant 1B:

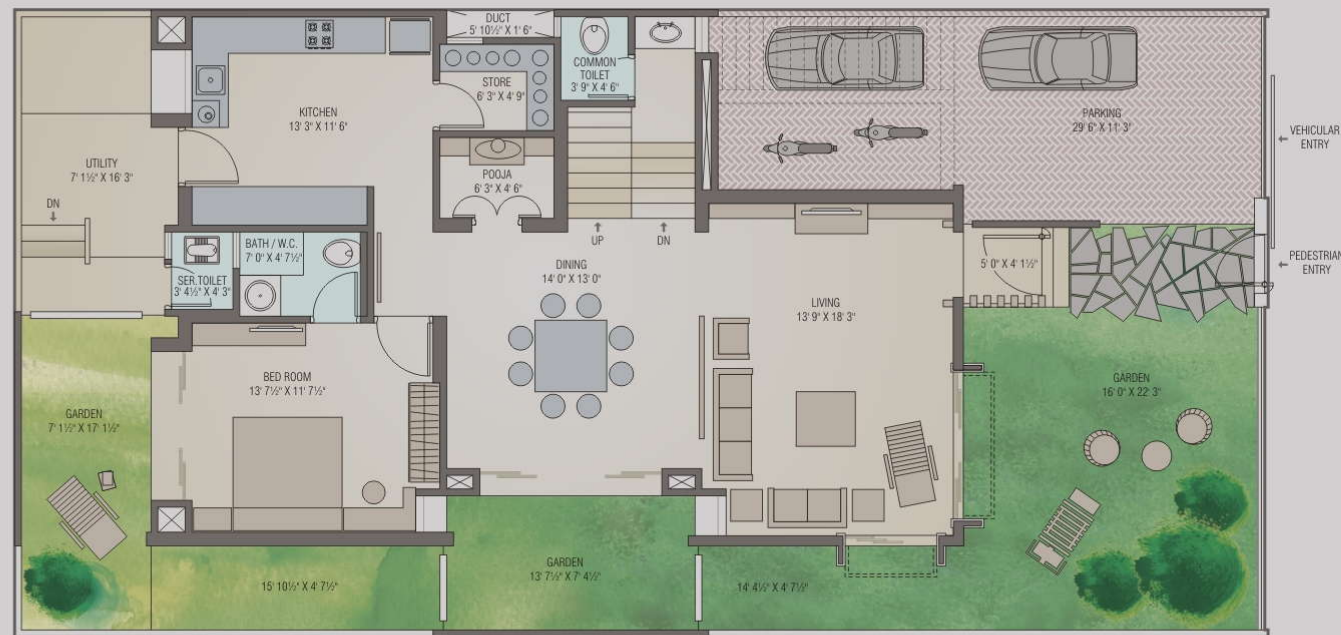

Total Saleable Area: 432 Sq. Yds.

This Villa has been planned on insistence of Mr. Agrawal, who has a fairly large family with her sister also staying with him. He would not settle for anything less than a 5 bedroom house, however without making it huge. His parents prefer a bedroom on the ground floor, where as the two little kids Siddharth (4 years old) and Shreya (7 years old) would love to play their Play Station in the so necessary family room. The sister would occupy the luxurious room on the terrace that looks into terrace gardens on both sides of the bed room.
